When there is a change in the position of an object with respect to time, then it is called motion. If it remains stationary it is called rest.

Is Mohan in motion?

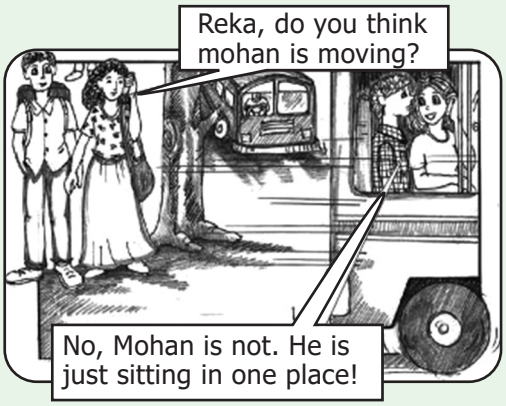

Observe the following pictures and say whether Mohan is in motion or at rest

Anitha and Babu are standing under a tree at the bus stand waiting for a bus to Madurai. Two of their friends, Reka and Mohan, get into a bus to go to Thanjavur. The bus starts.

Anitha tells this to Babu. He snatches the phone from her and says irritably to Reka,

Can't you see that the bus has moved away from the tree? Mohan is in the bus hence Mohan is moving along with the bus.
