

Unit 3 Matter Around Us

EYB6N

Anything which occupies space and has mass is called matter

Learning Objectives

- To define matter and develop an understanding on the particle nature of matter.
- To sort the objects on the basis of certain properties.
- To differentiate solids, liquids and gases based on the arrangement of their particles.
- To differentiate pure substances from mixtures.
- To identify the need for separation of mixtures.
- To suggest suitable methods for separating given samples of mixtures.
- To acquire an awareness on food adulteration and its harmful effects.
