## Summary

- When man began to live in a settled life, it marked the dawn of civilisation.
- River valleys were responsible for the growth of civilisation.
- Harappan culture was mainly urban in nature.
- Cities were well planned with covered drainage and straight wide roads, cutting each other at right angles.
- The people of that time had great engineering skills.
- The Great Bath is one of the earliest public tank.
- The civilisation extended from:

  Makran coast of Baluchistan in the west

  Ghaggar-Hakra river valley in the east

  Afghanistan in the north east

  Maharashtra in the south
